

## Junior Board of Directors (JBOD) Application

The U.S. Eagle Junior Board Of Directors (JBOD) is a program designed to immerse youth ages 14 years old to 24 years old into the business of the credit union, leadership, and community service opportunities. Members of the JBOD could earn a letter of recommendation for college applications from a Volunteer Development Committee member or pursue school credit for participation as a JBOD. In turn, U.S. Eagle hopes to gain insight into perspective and opinions on potential new products or services for young members of modest means and to give students a reason to return to the local business community after college.

Selected students will attend a monthly meeting, from August through May, and will be invited to attend the Annual Meeting of the credit union in May.

Students will be expected to:

- Be a U.S. Eagle member in good standing
- Perform three directives which benefit 1. Youth Entrepreneurship, 2. Community Service, 3. Develop a product or service for Members of Modest Means.
- Participate during their tenure
- Attend at least 7 of the 9 monthly meetings during each school year
- Arrange for transportation to and from meetings
- All participants will assist with the completion of a community involvement project
- Agree to use their names, and possibly group photos, in press releases and other public relations initiatives
- Sign a letter of confidentiality
- Provide two letters of recommendation from school, community, church, etc.
- Ideal members would be involved in extra-curricular activities that demonstrate leadership and aptitude, i.e., Student Council, DECA, Key Club, Etc.
