

Member to Member Transfers - Add Account

Step 1

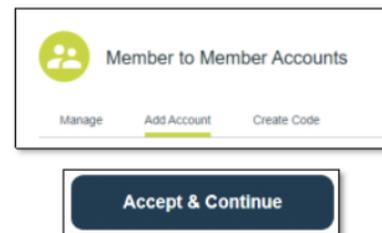

From Menu on top screen, select “Make a Transfer”

Then locate menu on left side of screen and select “Member to Member Accounts”

Step 2

Locate and click “Add Account,” then review disclosures for member to member transfers.

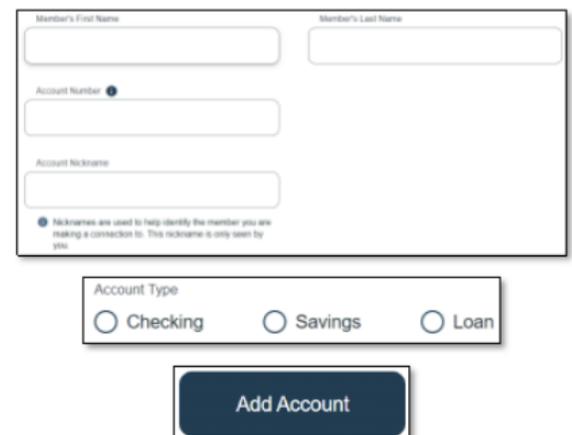

Select “Accept & Continue”

Step 3

Select option for adding other US Eagle Member: Account Number or M2M Code.

If using account number, enter the following information (Member First and Last Name, Account Number, Account Nickname and Account Type). If using M2M Code, enter code.

The image shows a form for adding a member account. It has two columns of input fields: "Member's First Name" and "Member's Last Name". Below these are "Account Number" and "Account Nickname". A note below the nickname field states: "Nicknames are used to help identify the member you are making a connection to. This nickname is only seen by you." At the bottom, there is a section for "Account Type" with three radio button options: "Checking", "Savings", and "Loan". Below the form is a dark blue button with the text "Add Account".

Then select “Add Account”
