

enrichEd®  
Classroom Grant Program

## Program Details

### Overview

US Eagle Federal Credit Union and ARNIA Foundation believe that every student should have access to the resources they need to thrive in school. That's why we have created the classroom grant program to allow teachers to invest in items that enhance the classroom experience.

### Awards

- \$20,000 in grants for public and charter schools K-12 ranging from \$500 - \$2,500.

### Important Dates

- Application period: August 22 - September 17
- Winners notified: Week of October 4

### What can the Grant be used for?

A variety of projects and materials, including but not limited to books, technology, field trips, school supplies, equipment, and lab materials.

Get creative. The sky is the limit!

### Requirements

- Completed Application. Incomplete applications will not be considered.
- Must be a full-time educator or administrator at a public or charter school in one of the following counties:
  - Bernalillo

enrichEd<sup>®</sup>

Classroom Grant Program

- San Juan
  - Sandoval
  - Santa Fe
  - Valencia
- 
- The school administration must approve all grant requests.
  - A brief budget and an explanation of how the funds will be utilized is required.

### **What is the selection process?**

Applications will be reviewed by our Philanthropic committee. Grants will be awarded based on availability, need, number of students served & geographic diversity.

### **How to Apply**

To apply for the enrichEd classroom grant, please complete the application on our website: [enrich.education](https://enrich.education)
